

Dear FCC,
Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and direct electioneering.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest in a non-partisan way, not to interfere with and suffocate Democracy itself. This is a smear piece just weeks before a critical election...it is criminal and outrageous. It seems even the media has been taken over by private interest and big money.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
Please Help....
Most Sincerely,
Lori Sturiza....a very concerned citizen.
